FINAL EXAM WAIVER & QUALIFIER

Qualification & Request Form

Avg. Exam Score:

Name: _____ Section: _____

Students with an average test score of $\geq 80\%$ from Map Exam, Lithosphere Exam, Biosphere Exam, Atmosphere Exam, & Hydrosphere Exam may opt out of the Final Exam. Students will receive their test average as the Comprehensive Final Exam Score.

You must submit this completed form with attached proof in order for the Final to be waived and your average to be recorded as your Final Exam Score. If form is not received or your average is less than 80% you ARE EXPECTED TO TAKE THE FINAL or you will receive a 0 (F) on your Final Exam.

Please complete the table below by entering the title and score for your exams to count toward the exemption computation. Sort from Highest to Lowest Score. Attach your graded tests to this form.

AVERAGE OF 5 SCORES:	

Please round to full digits
(NO DECIMALS)!
Rounding rules: .4 down;
.5 up (NO
EXCEPTIONS!)

If average is 80% or better, enter average in “Avg. Exam Score:” box above, attach your exams and turn in to instructor if you wish to be exempt from the Final Exam and receive this average score as your Final Exam Score.

Disclaimer: Students who take the final and receive a lower score than their average score computed, can NOT revert back to their average score because it is higher. If you take the Final, you will receive the Final Exam score as your Grade. (No Exceptions!)
