

Concerning: Participation of Metropolitan State College Student as Science Fair Judge

Dear Public Education Science Professional;

the college student indicated below is enrolled in Integrated Natural Science II (SCI 2620) at Metropolitan State College in Denver (MSCD). He / She has agreed to participate as Science Fair Judge at your school as part of an educational experience in science. In order for the student to receive credit, would you please be so kind to complete the remaining sections of this evaluation form.

Thank you for your help and participation. Please contact me with any further questions or concerns.

Sincerely

Dr. Uwe Richard Kackstaetter
 Assistant Professor of Geology - Department of Earth & Atmospheric Sciences - Metropolitan State College of Denver
 Campus Box 22, P.O.Box 173362, Denver, CO 80217-3362
 Phone: (303) 556-3070 - email: kackstae@mscd.edu

Any remark you wish to make concerning the professional behavior and science core knowledge of the participating college student:

Supervising Public Educator's Signature: _____

Dear MSCD Students!

ATTN.: YOU MUST FIND YOUR OWN PLACEMENT AS SCIENCE FAIR JUDGE!

The completed form can be substituted for the FINAL EXAM providing that you have earned an average of 80% in the LAB EXAMS in Dr. Kackstaetter's Integrated Natural Science II class. Students who arrive and leave on time and receive high marks from the supervising Public School Teacher shall receive 100points as their FINAL EXAM substitution grade. Grade adjustments will be made for those who come late, leave early, or receive low remarks.
